## Organization Statement

Established in 1980 to serve families throughout the greater Corning area, Corning Children's Center aims to set the standard in early care and education by inspiring learners, leaders, and dreamers. We provide high quality care and education for infants, toddlers, and preschoolers (ages 6 weeks to 5 years). Our Center has a strong sense of community, and children learn and grow within an environment that is positive, diverse, creative, stimulating, and caring – one that recognizes and appreciates the uniqueness of each child.

## Job Description

In collaboration with the lead teacher, the teacher is responsible for creating an environment that promotes the social, emotional, cognitive, and physical growth of the children in their assigned classroom. They should serve as a team member in developing creative lesson plans and implementing them in their respective classrooms.
