Organization Statement

General Description

MISSION

Children need to spend their most critical years with dedicated, educated, trained, and well-compensated individuals in order to thrive. The New York Early Childhood Professional Development Institute leads the work to establish and implement an early childhood workforce system to ensure funding, standards and competencies, career development resources, qualifications and credentials, professional development (training and strengths-based coaching), and program quality assurance and improvement for individuals who work with young children throughout New York. Housed at the City University of New York, the Institute is a fast-paced, dynamic public/private partnership that is committed to the early childhood workforce across New York State.

Job Description

The Professional Development Team is seeking a part-time bilingual professional development specialist to design and deliver training for early childhood provider educators, primarily those in home-based settings. The Professional Development (PD) Specialist will be a dynamic trainer with knowledge of early childhood general and special education, childcare program management, and an ability to communicate effectively with diverse groups of educators. The PD Specialist will facilitate interactive learning sessions that strengthen providers' knowledge of child development, inclusion, family engagement, and strategies for home-based care. This position will report to the Director of the Informal Family Child Care Project.
