No classroom experience? That's okay – we provide paid training on all classroom procedures!

Job Description

As a **UPK Teacher**, you will be responsible for implementing the New York State and individual district UPK curriculum to prepare children for kindergarten. Responsibilities include:

- Ensuring the safety and supervision of children ages 3-4 years in one assigned classroom.
- Creating developmentally appropriate curriculum according to district and state guidelines.
- Curating programs and activities based on children's interests and learning styles.
- Maintaining a warm and safe environment that is clean and permits children to grow and explore.
- Partnering with families to create plans to provide the best care and education for their children.
- Providing effective communication with parents/guardians about their child.
