Organization Statement

Kids First has been providing high-quality educational support services in Nassau and Suffolk County for 30 years. We are seeking special educators to support our EI and CPSE age children. Create your ow schedule and work as many hours as you like.

Job Description

Kids First is seeking a qualified and motivated special educator to provide direct therapy with children from birth to 5 years old. Opportunities in our facility as well as preschools, daycares, and UPK's. Candidates must hold NYS certification for Special Education Teacher. Ideal candidate is keenly aware of developmental, social and emotional needs of children, is flexible and fun-loving. Familiarity with IEP/IFSP, data collection and analysis and behavioral interventions a plus.

Responsibilities

Provide face to face therapy with assigned children in accordance with IEP mandates and goals, collect relevant data, when necessary, support the general education/classroom teachers and represent Kids First as a professional team member.

Caseloads are flexible and you can take as many cases as you like. Opportunities to work in a variety of child centered settings. Competitive rates, professional support and guidance and a collegial work environment.

Qualifications

Applicant must hold a NYS Special Education teaching certificate.

- **Minimum Education Level:** Master's Degree
- **Preferred Education Level:** Master's Degree

Application Instructions

Interested parties are encouraged to send their resumes to Kidsfirstevaluation@yahoo.com or contact Marietta in our Nassau office at 516-333-1236.

Language Requirements

English

Additional Information

Kids First has been named a Newsday Top Workplace for the past 4 years. This distinction is based on employee satisfaction survey and job happiness. Come join our award winning team.
