Organization Statement

Odyssey House is a nonprofit organization dedicated to supporting individuals and families in their recovery from substance use disorders through comprehensive treatment, education, and supportive services. The Family Center provides a residential treatment environment where mothers can focus on their recovery while remaining with their children.

The Odyssey House Daycare Center is a licensed early childhood education program that provides a safe, nurturing, and developmentally appropriate learning environment for children ages six weeks through five years. The program promotes children's social, emotional, physical, and cognitive development through meaningful play, exploration, and positive relationships.

Through a two-generation approach, the daycare center supports both children and their mothers by promoting healthy parent-child relationships, modeling positive interactions, and empowering mothers to develop their parenting skills, confidence, and independence while navigating their recovery journey.

Job Description

The Childcare Worker provides direct care and supervision to children ages one month through six years, both within the licensed daycare program and outside regular daycare hours when parents are unavailable to provide supervision. Responsibilities include maintaining a safe, nurturing, and developmentally appropriate environment, actively engaging children in meaningful activities, supporting daily routines, and assisting Group and Assistant Teachers with

classroom responsibilities and coverage as needed. Additional responsibilities include assisting with pantry operations, organizing and maintaining supplies, and supporting the preparation and implementation of special events and family activities. The Childcare Worker also models positive adult-child interactions for parents and works collaboratively with the educational team and Women and Children's services to support children and families while adhering to DOHMH regulations and Odyssey House policies and procedures.
