

Become a Licensed Child Care Provider

Register for
Growing Providers

Bklyn
Public Library

This free, 13-week training is designed to develop basic skills and knowledge needed to start and operate a successful in-home child care service. You will learn how to:

- Complete and submit NYS license application
- Set up a learning environment for young children
- Manage a home-based business

Classes will be offered at Bushwick, Crown Heights and New Lots libraries.

For registration information, contact 718.230.2254 or growingproviders@bklynlibrary.org.

Growing Providers: Community Child Care Development is made possible in part by the Institute of Museum and Library Services (IMLS) and in partnership with the Business Outreach Center, Committee for Hispanic Children and Families and New York City Early Childhood Professional Development Institute.
